AUGUST 2018

Prayer for Good Humour (by Thomas More)

Grant me, O Lord, good digestion and also something to digest.

Grant me a healthy body, and the necessary good humour to maintain it.

Grant me a simple soul that knows to treasure all that is good and that doesn't frighten easily at the sight of evil, but rather finds the means to put things back in their place.

Give me a soul that knows not boredom, grumblings, sighs and laments nor excess of stress, because of that obstructing thing called "I"

Grant me, O Lord, a sense of good humour.

Allow me the grace to be able to take a joke, to discover in life a bit of joy, and be able to share it with others.

(given by Father Bernadino, Fuchal, Madeira)

Coffee Concert

“ On August 11th at 11.00 a.m in All Saints Church, Bakewell a Baroque Trio will give a concert of music played in Europe in the early 18th century. Alison Richards (baroque flute), Roy Phillips (Viola de Gamba) and David Winder will perform music by Handel, Telemann, Leclair, Boismortier and Abel and will talk about the instruments they will be playing. David will be playing a Zuckermann Flemish harpsichord modelled on an early 18th century instrument

The audience are invited to refreshments after the concert and to discuss the instruments and Early Music with the performers. “

The email from the curate to the vicar:

“ I’m sorry to have to tell you that my wife died yesterday. Please will you find me a substitute for the next few weeks?”

O M Witherby

After this, Kath brought in a very special cake with 10 years candles on top and we all sang Happy Birthday Tots and Teds. Scrumptious refreshments followed then singing Old Mac Donald and the Hokey Cokey. Sarah, one of the mums who we have known practically from day one, said how very much she would like to help plan and set-up Tots and Teds, starting in September. So, a perfect ending, as one person leaves, another begins.

I have absolutely loved working with the Tots and Teds team and especially enjoyed getting to know the children and their families, some of whom have attended loyally year after year, bringing their new little ones. I know that with Kath, Andrea, Mal, Janet, Angela, Carol, Penny, Hilbre and all the team plus Sarah, Tots and Teds will go from strength to strength bringing in the next generation with their dads and grans as well!

Thank you for your company and prayers.

Tots and Teds 10th Anniversary

On Thursday 17th July, we enjoyed the Tots and Teds 10th Anniversary celebrations. The afternoon followed the familiar pattern, beginning with MumSpace, our increasingly popular lunch-time get-together from 12-30 to 1-30, the start of T&T. Kath was as busy as ever preparing and serving food and drinks with the help of Carol and Angela. We're thinking MumSpace might turn into 'Space-to-Make!' Some of the mums had brought their weaving; it was lovely, the mums chatted while the children played.

Then at 1-30, our official T&T start time, more arrived and more activities provided including making 'bouncing bears', 'what's on your plate?' (picnic food pictures to cut out and stick) and ever popular play dough.

Then it was time for the story and we were very happy to welcome Brenda, our 'guest story-teller'. Brenda told the story of 'Lily the little lost sheep', a beautifully appealing story with a message about keeping safe and very much reflecting the message in the better known Lost Sheep story. After story-time I was surprised and delighted to be presented with a card and beautiful rose plant, Thank you so much Tots and Teds Group!

The Church of England is facing a serious shortage - of church organists

Be very, very nice to your church organist, and don't upset them, because they are becoming somewhat of an endangered species in the Church of England.

In fact, so many churches now have organs, but no organists, that nearly one in three churches have introduced recorded organ music for their congregation to sing along to.

A recent survey found something very ominous: that less than four percent of churches have organists aged 30 years old or under. Almost half of all churches who do have organists, report that they are older than 70.

But recorded organ music is hardly ideal- it tend not to leave enough time between lines, and so rushes the singing along. Also, there is a weaker sense of togetherness and community, if you are singing to a machine, rather than a person well known to you.

The survey was done by the diocese of St Edmundsbury & Ipswich's music development director.

'Frilly-frocks and Sun-hats!' Tuesday 3rd July

What a glorious day and a wonderful time 21 MU members had for their Summer Event in Shirley Stubbs' beautiful garden; and with many members in lovely dresses and sophisticated hats too!!!

As we sat on the patio we were served a delicious afternoon tea of strawberries, cream, meringues and chocolate biscuits.

Carol thanked Shirley for, once again letting us use her garden for our summer party and gave her a bottle of bubbly to share with her husband later. Shirley said we could come any time as she had enjoyed being waited on and loved to share her garden.

Celebrating Tots & Teds 10th Anniversary

The first gathering on 14th July 2008, was a 'Teddy Bears' Picnic', in the vicarage garden, to invite and welcome mums and their young into the church family. Games and picnic tea organised by the MU, followed by the story of the 'Lost Sheep' told by Rev'd Tony, set the format.

Since then the 'T & T Team' led by Julia and Kath, have provided a monthly gathering in the Newark, for pre-school children with their mums/dads/grandparents, offering games and play; a story with a biblical theme and refreshments. We were delighted to have celebrated our 10th Anniversary on 17th July (see Julia's report),...but so sorry that Julia is now moving from Bakewell! We thank Julia for her enthusiasm and contribution to 'Tots & Teds'.
