

ALL SAINTS' ORGAN APPEAL

The pipe organ at All Saints Parish Church, Bakewell is one of the two largest three manual instruments in the Derby diocese and dates from 1883. It is of huge historical significance.

It is a most impressive instrument, which stands at the heart of the parish church, sustaining and enhancing worship and playing an important role in a wide variety of community activities

Have you attended a wedding or a funeral, or indeed any service, when the organ has played a major part? Are you likely to? Would the service be the same without the organ?

A total of £135,000 is needed for its essential repair and overhaul. We already have £22,000 and are seeking to raise the rest in stages, by fundraising, donations and grant applications. We are currently hoping to raise the amount necessary to complete the first phase, £50,000, by inviting people to sponsor one (or more) of the organ's 2165 pipes.

WILL YOU SPONSOR A PIPE?

You can sponsor a pipe:

- to remember a loved one
- to commemorate an important occasion eg wedding, baptism, anniversary or, indeed, any occasion special to you
- because the organ is an integral part of the life of the Bakewell community
- because of its historical significance
- for no reason at all

Any amount would be welcome. There is no minimum and no maximum.

Names and any dedication will be recorded in the book of donors, but can be anonymous if you prefer.

PLEASE consider making a donation so that the whole community can continue to enjoy the music of the organ for generations to come.

Our income relies entirely on donations, associated gift aid and fund raising.

We are not supported by any other bodies.

Payments can be made by any of these methods:

Scanning this QR code to give via givealittle.co

Bank Transfer to Bakewell PCC
Sort code 60-01-33 Account no 80656048
